HOW IT WORKS

BISON's K-8 scholarships utilize a lottery system based on complete pre-application forms, with a **deadline of March 15th each year.**

The Bison Children's Scholarship Fund, a tuition assistance program for children has a scholarship available for the 2025-2026 school year. With a maximum award of \$2,500 per child, this is a great opportunity for families who want a private education for their children but are unsure if they can afford it.

New families can click 'Apply Now' to enter the lottery, and post-deadline applications are waitlisted. Our program follows students from their entry until 8th grade, as long as they remain enrolled and financially eligible.

BISON is an independent organization separate from Universal School.

Universal School does NOT review or determine the status of the application.

All information must be sent to BISON directly from the parents.

If you have any questions or need further information, please contact the
